Hello and welcome,

First, thank you for choosing our Wilkes-Barre Area Career and Technical Center. We are proud of our school and are excited to start/continue your Career and Technical Education with us.

Classes begin at the Wilkes-Barre Area Career and Technical Center on Monday, August 25, 2025. If you have not heard from your home school district regarding transportation, please contact your home school. Many questions about our school can be answered by reading the [student handbook](#), especially for details concerning our rules and policies. For example, hoods, earphones, and cellphones are not allowed in the common areas or hallways at our Wilkes-Barre Area Career and Technical Center.

In addition, you may view our [school calendar for the 2025-2026](#) here.

If you are unsure of the shop you will be attending, please reach out to our guidance department by phone/email on our website.

To follow your progress at the WBACTC, you will be given information regarding our [Skyward Family Access student tracking system](#). Your personal sign in information will be required. Family Access is a secure, internet-based website that allows both parent and child to track your student's progress here at our Career Center, including attendance, grades, assignments, and emergency information. [Family Access](#) is free and **must** be accessed through the WBACTC's website at [www.wbactc.org](http://www.wbactc.org). **This is the only way to follow your child's progress.** After receiving the login information, please verify your information in Family Access and [contact us with any necessary changes](#) such as address or phone number information. If you are having problems logging in, [please contact us to assist](#).

We are looking forward to a successful school year. If you have any questions or concerns, once again, please refer to the links mentioned above, our [Student Handbook](#), or contact the school at (570) 822-4131.

Thank you and see you soon.

Sincerely,

Dr. Anthony C. Guariglia

## **Wilkes-Barre Area Career and Technical Center** **Cafeteria Policy – 2025-2026 School Year**

The Wilkes-Barre Area Career and Technical Center, (WBACTC), will continue to participate in the “Community Eligibility Program” or “CEP” for the 2025-2026 School Year. This program has allowed the school to provide a “**FREE**” breakfast and/or lunch to **ALL** students regardless of the family income.

According to the USDA Food and Nutrition Service, the requirements for a reimbursable meal in Offer vs. Serve are as follows. “At lunch, schools must offer students all five required food components in at least the minimum required amounts. The components at lunch are: meats/meat alternates; grains; fruit; vegetables; and fluid milk. Under OVS, a student must take at least three components in the required serving sizes. One selection must be at least ½ cup from either the fruit or vegetable component.”

“At breakfast, schools must offer students all three required food components in at least the minimum required amounts. The components at breakfast are: grains (with optional meats/meat alternates allowed); juice/fruit/vegetable; and milk. Under OVS, a student must be offered at least four food items and must select at least three food items, one of which must be ½ cup of fruit or vegetables for OVS.”

The student will be charged as ala carte and must pay cash if the breakfast and/or lunch meal does not consist of at least 3 components.

Parents may still place money on the student’s cafeteria account to pay for extra food or ala carte items. If there is no money in the account, the student must pay cash for any additional items. **There will be no charges allowed to any accounts.**

Paper applications **will not** be processed at the (WBACTC) – **all students are “FREE”**. PLEASE NOTE: The home school may still require the student to submit an application.

Please contact Matthew Piazza, Assistant Business Manager, at (570) 208-0364 if you have any questions regarding this program.
