

SkillsUSA 2011

Cabinet Making Competition

This competition will consist of TWO (2) parts:

- 1.) *Constructing a drawer*
- 2.) *Constructing a laminating a counter top with sink cut out*

Please read over both plan sheets to budget your time to complete
both portions of this test.

You will be judged in the following areas:

- 1.) *Layout and overall measurements*
- 2.) *Machine operations*
- 3.) *Personal and General safety*
- 4.) *Accuracy*
- 5.) *Neatness*
- 6.) *Finish Product assembly*

If you have any problems, need tools, materials, etc... Ask Instructor

GOOD LUCK!!
