

District 1 Skills USA Competition
West Side Career and Technology Center
Competition Guidelines for Web Design

Purpose: To evaluate each member teams preparation for employment and to recognize outstanding students for excellence and professionalism in the field of web development.

Clothing Requirement: Polo shirt, dress/khaki pants, dress shoes.

Equipment and Material:

Supplied by Technical Committee:

Graphics CD

Supplied by Competitor:

Hardware Requirements:

The team must provide any computers they need (laptops preferred)

Memory Stick

Software Requirements:

Any software can be used as long as it is properly licensed.

Contest Description:

Performance:

Each team will be required to build a 3 page web-site. The subject of the website will be provided at the start of the competition. Each team will be given a CD with graphics, which can be used. They may be altered as the team sees fit. There will be no server side scripting or web server requirements. All projects will be submitted to the judges via a memory stick. Any previously developed documents or graphics that are used by the team will disqualify that team.

The teams will be judged on design and layout, code structure and quality (including comments), creativity, and overall professionalism.

Written Exam: None

Time Allowed: 2 hours
