Dear WBACTC Parents & Guardians,

Hello. We hope all of you are well. We also remain confident you are listening to health and community leaders, practicing social distancing, and keeping yourself safe. We, as your Career and Technical Educational Leaders, would like you to know we want the best for you as well. To this end, and in conjunction with our [IU18 statement](#), we want to offer ungraded Enrichment and Review opportunities to all our Career and Technical Education (CTE) students.

By now, you have received a phone message alerting you to go to our school website www.wbactc.org. The [Wilkes-Barre Area Career and Technical Center Enrichment and Review Page](#) will assist our students in helping to retain what you have learned and also to review materials needed to be successful and productive after your time here at the Career and Technical Center has ended. Just click on the link below to take you to a page where you can select your current Program of Study (Shop) and find many educational opportunities. We also included links to such review opportunities as march2success.com, where you'll find SAT and ACT preparation, as well as tons of other fun activities to help fill your educational day. We also provided links to other pages which refer to various career paths and prepare you for the world of work.

If anyone has a problem accessing the information provided, please do not hesitate to contact us by phone at 570-823-0481 or by email at question@wbactc.org.

On behalf of our faculty and staff, as well as Mr. Majikes and I, we wish you all the health and safety possible during these uncertain times. We look forward to seeing you, our WBACTC family, back at our Career Center as soon as possible.
